The Bicycling Report Card

After a year of implementing the Bike Master Plan, we want your input on what kind of grades you think each of the 5 E efforts should receive. Grades are based on how well Louisville has met the League of American Bicyclist (LAB) recommendations. **Please see attached document and place a letter grade next to each of the Red Arrow.** We are also seeking ways to best market this report.

Grading scale

-  A= Good to excellent (Meets or exceeds the LAB recommendation)
-  B= Average (in progress or approaches the LAB recommendation)
-  C= Below average or failing (did not meet the LAB recommendation)

The Bike Master Plan Report Card December 2011

We continue to look for your thoughts and suggestion for next steps. Attached is a draft work plan for the next 6 month and beyond. Feel free to send your comments and thoughts about our next steps to Rolf.Eisinger@louisvilleky.gov

Bike Master Plan Report Card December 2011				
Completed Year 1	Year 2		Year 3-6	Year 6 and beyond
2010-2011	Short Range 2012 January to July	Short to Mid Range 2012 July to December	Mid Range 2013- 2015	Long Range 2015-2030

What are some ways we can

promote the new bike lanes on Market Street and Goldsmith lane?

We are planning to promote these new facilities in February. This will allow for road rules to get use to the new changes.

Cyclocross Master Worlds next week!

Please email Whitney Vogel (whitney@usgpcyclocross.com) if you are interested in volunteering. You can access a pdf version of volunteer needs at: <http://tinyurl.com/7ech6o8>
